- 1 Mobile Broadband Plus Tx0, Tx1, Tx2, Tx3, and Tx4 are for use in the UK only. You'll need to promise to stay with us for 24 months and pass our standard credit check. You'll need a compatible laptop, an enabled device like a USB modem and mobile broadband coverage. You can check coverage at [t-mobile.co.uk/mobilebroadband](http://t-mobile.co.uk/mobilebroadband). Remember that you can't use your plan to make internet phone calls. Your inclusive texts are for texts from the UK to all UK mobiles and numbers starting with 01, 02 & 03 at any time. This doesn't cover Jersey, Guernsey and the Isle of Man. You can use all our T-Mobile HotSpots in the UK, but you'll need to accept our HotSpots legal stuff first. If you use your plan outside the UK, we'll add any roaming charges to your pay monthly account, please see the webpage mentioned above for more details. \*This plan comes with a fair use policy of 3Gb a month. We'll monitor how much you send and receive each calendar month so that we can protect our network for all our Mobile Broadband customers. If you use more than your fair use policy amount, we won't charge you any more, but we may restrict how much you can use your plan, depending on how often you go over your amount and by how much.
- 2 Applies to messages sent direct from your SIM card or via the T-Mobile website; [www.t-mobile.co.uk](http://www.t-mobile.co.uk).
- 3 You will be charged for messages sent to non GSM networks.

<sup>1</sup>Please go to the "help & Support" section of our website, [t-mobile.co.uk](http://t-mobile.co.uk), for details around "non-standard" service charging. This includes charges for numbers starting with 05, 070, 08 (including 0870), 09 and 118. Calls to these numbers are subject to a 1 minute minimum call charge unless otherwise stated. Remember that calls to these numbers are not included in your monthly allowance.

# Points to note.

- When you join a T-Mobile pay monthly plan, **you should be sent your first bill within 2 weeks of becoming a customer.** Your first month's charge and inclusive minutes allowance will be proportionate to the number of days from your date of joining to the date of the bill. All monthly charges and inclusive minute allowances will be proportionate to part months used, except where this would conflict with any other clause of the agreement.
- **Per second charging** applies to all types of chargeable calls (unless otherwise stated). Charging starts when a call is answered by a person or an answering device.
- **A call ends when:**
  - a) you end the call on your device; or
  - b) 16 seconds after your calling device loses signal for any reason (note: we continue to maintain the call in case your device re-establishes a signal with our network within this period); or
  - c) you do not end the call on your device, up to 30 seconds after the last third party you were connected to has ended their call.
- On the bill, for pay monthly customers a call within the allowance will be rounded up to the nearest second. Customers who top up and use that top up to make calls, those calls will be rounded up to the nearest penny and VAT will be charged on each individual call. All chargeable calls will be subject to a 1 minute minimum charge unless otherwise stated.
- Diverted calls are charged at the local or national call rate or, if appropriate, the relevant mobile or special number rate. Diverted calls are not included in any inclusive minutes you may have.
- Additional charges may apply whilst using your T-Mobile phone abroad.
- Additional charges (e.g. international call charges, premium rates etc) can be found on [www.t-mobile.co.uk/whatitcosts](http://www.t-mobile.co.uk/whatitcosts) or our 'Non standard charges' leaflet.
- T-Mobile reserves the **right to vary or withdraw** any individual or additional service with 30 days notice.
- A text message consists of up to 160 characters. If you send a longer message, you will be charged for two or more text messages as appropriate.
